

# Athènes et ses îles

Jean Paul OLIVE

*Available in the end of 2020*

## **ATHENS AND ITS ISLANDS**

Athens and its islands, we might as well say Athens and its daughters. Ariane's thread draws lines between the islands and links them to the capital city, the Motherland. All Greek people, even those who have left, have a favorite island. To meet them, I just had to go with the flow and let time pass. Happy he who, like Ulysses.

*«The first picture dates back from 1983, it is a snapshot of the Easter Festival on the Rhodes island. This picture was the symbol of this people's quest, the people of the sea.»*

Photographs by Jean Paul Olive  
Foreword by Nikos Graikos  
29 x 21 cm (11.4 x 8.2 inches)  
128 pages  
95 black and white photographs

## **PURCHASE ORDER \$35 instead of \$50**

**\$15 of shipping fees (book shipped from France to the US)**

Number of copies : ..... x \$35  
plus shipping fees, for a total of : \$.....
